

Volunteer Registration Form

If you are a member of the *Friends* and are interested in helping the Kansas City Museum, please sign up today.

Our Vision: We will be a dynamic and vital partner in building the Kansas City Museum at Corinthian Hall into a world class museum with inspiring exhibits, collections and programs that engage people to learn about our city's rich history.

Circle the opportunities that appeal to you:

Greeter: We are looking for friendly people who will greet attendees as they arrive at events. This person may pass out badges, collect addresses, and give directions within the facility and other similar tasks at events.

Kids Activities: We are looking for outgoing people who enjoy crafts, story telling and working with children and parents. Primarily, you will be supporting staff at the Family Fun Days at the Museum every first Sunday of the month.

Speaker: We are looking for outgoing people who enjoy talking to small groups. You will be working with staff at Community Curator talks, puppet shows and other events where it is important to tell the story of the Friends organization. You will pass out material and answer questions.

Event Coordinator: This position will be involved in planning events such as purchasing materials, booking entertainment and coordinating the event schedule. This person will support the lead planner. Opportunities include our Annual Garden Party where members enjoy the afternoon on the grounds of the museum. New this year is our Pumpkin Glow event on Halloween where we will surround Corinthian Hall with over 200 pumpkins. You will be working with Boy Scout and Girl Scout troops through out the greater Kansas City area. Also, our first annual Fairy Princess Tea and Fashion Show will be in November at Union Station. You will be part of an elegant first time event!

Collections Assistant: Our curatorial staff is looking for assistance with light duty conservation. This position requires some initial training.

Administrative Help: We are looking for someone who enjoys working in an office environment performing tasks such as filing, organizing mailings, confirming data via telephone and light spreadsheet work. We are happy to accommodate your skill set and area of interest. Any help is appreciated.
